CAREER OBJECTIVE

Seeking a freelance and junior opportunities in graphic design and web development, where I can apply my skills in visual communication, branding, and front-end development to deliver polished, client-ready work. I bring strong attention to detail, a collaborative mindset, and a commitment to continuous growth in both design and technology.

WORK EXPERIENCE

IDESS IT

Graphic Design Intern

2025

- Designed a promotional brochure for a newly launched mobile application, ensuring clear visual hierarchy and effective communication of key features and benefits.
- Applied branding guidelines and layout principles to produce marketing materials aligned with the app's target audience and brand identity, resulting in a publication-ready output.
- Collaborated with a cross-functional project team to refine content and design elements, iterating based on feedback to deliver a final product approved for marketing and presentation use.
